

## 2018 Blizzard Bags

### Art 1:

1. Draw your name in 2-Point Perspective on page 30 of your sketchbook.
2. Create a paper airplane.
  - a. Once you have folded it correctly, label the parts that can be seen (wings, cockpit, engine...).
  - b. Unfold the airplane and apply a design using any dry media such as pencil, colored pencil, pen...
3. Draw the four basic forms – cylinder, cone, cube, and sphere. Include a horizon line and your choice of one-point or two-point perspective. Determine where a single light source is located. Shade each form appropriately using the weight of your pencil. You may get creative and turn each form into recognizable objects.

### Art 2:

1. Critique one piece of art from the Baroque period (1600 – 1750) using the four steps – Describe, Analyze, Interpret, and Judge. (minimum of 1 typed page, double spaced, Times New Roman, and one inch margins)
2. Critique one piece of art that is considered Surrealism using the four steps. (minimum of 1 typed page, double spaced, Times New Roman, and one inch margins)
3. Draw the four basic forms – cylinder, cone, cube, and sphere. Include a horizon line and your choice of one-point or two-point perspective. Determine where a single light source is located. Shade each form appropriately using the weight of your pencil. You may get creative and turn each form into recognizable objects.
