Mr. Green

The Emergence of the U.S. as a World Power

High School American History Content Standard #15

Student name _____

“The United States emerged as a world power in the time period from the U.S. Civil War through World War I”

In paragraph form below or on your own notebook paper, provide facts, data and/or evidence in detail to support the above statement.

The response should identify an event, motivation or the cause(s) for the U.S. to be involved, the results/outcome, and specifically how this illustrates the power of the United States.
