

Reading Activities (Day 1)

Name: _____

Name each letter, then make each letter's sound.

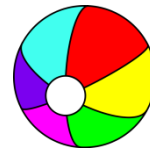

A W M P S L O B K X N C H D I
T V F J Q R U Y E Z G a n u e
w f h c y m z b k x j d g q t
s o v p i r l

Say the name of each picture. Isolate the beginning sound and write the letter on the line beside each picture.

Circle the pictures that rhyme with cat.

For additional activities, go to www.starfall.com. Please sign below and return within the next 10 days.

Math Activities (Day 1)

Name: _____

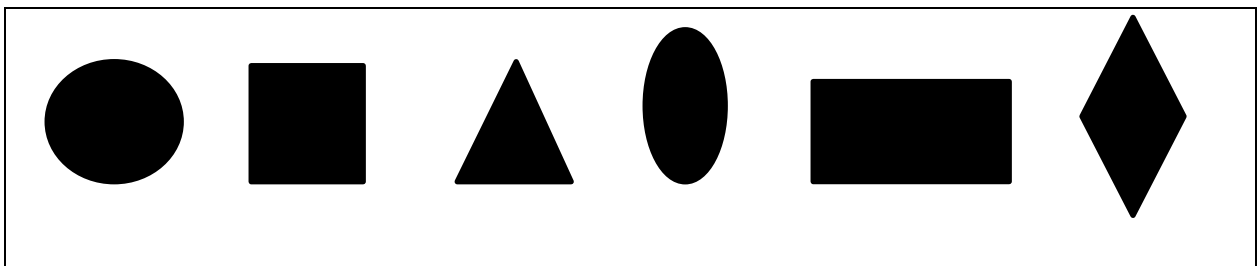

Name each number.

8	14	2	10	18	13	6
5	1	15	3	9	17	0
20	12	7	16	4	11	19

- Have your child count. (He/she counted to _____ without any errors.)

Draw a picture for each numeral. (Ex. 1 ball, 2 flowers, 3 hearts)

1	2	3

Touch and name each shape.

Please sign and return within the next 10 days.

Science Activities (Day 1)

Name: _____

Go outside with your child and measure a cup of snow. Bring it back inside your warm house and have your child predict if the cup will still be full when it melts.

Prediction:

- Yes, it will still be full.
- No, it will not be full.

Draw a picture of your measuring cup of snow.

Which took more space in the measuring cup? Snow water
